

# 4th Grade Weekly Newsletter

Fourth Grade Achievers

January 4th-8th

## What We Are Learning

Math: This week we will be learning about the different types of angles.

Science: This week we will continue working on our on Plants and Animals within our Florida Life Science unit.

Social Studies: This week we will be learning about the American Revolution.

Reading: This week we will be reading "The Last Night" and identifying different character traits.

Writing: This week we will be working on answering different short response questions. We will also be practicing using our vocabulary words in context.

### Note from the Teacher

Please make sure you are working with your child on their two digit by two digit multiplication facts.
